2MS *** ME AND MY SHOPPING*** **SEQUENCE 2**

LEARNING SITUATIONS

INITIAL SITUATION:

It's the birthday of Ketty's mother . She wants to organize a birthday party for her mother . As she is young , let's help her writing her shopping list and to show her the way to the supermarket to buy the ingredients.

INSTALLING RESOURCES SITUATION :

It's l'Aid and you are with your father at the clothes' store to choose your new suit for l'Aid. Write a conversation between you and the shop assistant, asking and answering about the price, the size, the colour and the quantity.

I LEARN TO INTEGRATE SITUATION:

I am spending my Summer holidays in another town in Algeria or a foreign country . When I return to school, my English teacher asks me to write a report about my shopping there.(the local shops ,markets , malls , traditional craft shops,). The teacher asks me to draw a street map to explain my classmates the location of all these shopping places .
