Hi, I am a new member in this group. Are there any welcomes?

First, let me introduce myself: My name is Sa Fu Wen Lan. I am 13 years old. I am a Chinese and I live in Jiangsu with my parents and my little sister Fan Fan. I study at English First private school. I am tall and slim girl with a long black hair and dark brown eyes.

I am interested in the Chinese classical music and I love listening to my favourite singer Cai Yi Fang but I have never attended her concerts. I am fond of the guitar but I can't play on it. I have always dreamt to become a famous guitarist.

Generally, I am a friendly and quite talkative person. My friends think that I am cool and funny. I am the type of pupil who is clever and hardworking, I always do my homework and come to school on time.
