THE FIRST TERM EXAM

The text:

In the past, the way people lived was very different from the way in which we live nowadays.

In old times, people commonly used to live in simple houses with less electric appliances, most of the chores were done by hand. But now, there are more fancy items, robots and facilities.

In the past, people used to dress up in simple ways. Now, they have developed a trend and stylish clothes. They consumed fresh, natural and healthy food. Today, they eat Burgers, Shawarma, Pizza and Pies.

Ways of entertainment changed a lot. Children amused to play with rag dolls, marbles, and hopscotch. Today, they play video games, chess, monopoly and draughts.
