School Year : 2017/2018 **Level : 3MS**

Third Term Test n°1

Algeria is a land of great biodiversity. It has a rich national heritage. It is a home to several national parks. The most popular of these include Tassili N'Ajjer National Park. It is situated in South East Algeria. This national park is best known for its sandstone mountain range, complete with impressive rock arches and other landforms.

Tassili N'Ajjer National Park has been named a UNESCO World Heritage Site in 1933.
